Dear Mrs Greer

**WILDLIFE AND COUNTRYSIDE ACT 1981, SECTION 53
WOODHALL SPA - ADDITION TO THE DEFINITIVE MAP AND STATEMENT OF
PUBLIC FOOTPATH NO.1206, BETWEEN STIXWOULD ROAD AND THE
SOUTH-EASTERN CORNER OF THE PLAYING FIELD/CRICKET GROUND**

The Wildlife and Countryside Act 1981 provides for a system of reviewing and updating the definitive rights of way map and statement; this allows for applications to be made at any time to the County Council for the making of an Order modifying the map and statement. In 2017 the County Council received an application for the addition of a public footpath in the parish of Woodhall Spa running between Stixwould Road and King Edward Crescent. After considering the application/evidence the County Council have decided to make an Order for part of the route.

In accordance with the provisions of Schedule 15 of the Act, I am therefore now enclosing a copy of the Order and of the Notice of it's making which is to appear in the Horncastle News newspaper on Wednesday 17 August 2022. A background statement to this proposal is also attached for your information.

I am also enclosing a copy site notice and plan which I should be grateful if you would display on your Council's notice board from 17 August 2022 until
